PARISH OF ST. JOHN THE EVANGELIST
Framingham, Massachusetts

Ektachrome by Roger Macon

7/12/81

This is the church we are still
listed as members. Our son
Tom was married here two weeks
ago and Paul was married
here 20 years ago. We have
seen many long time
friends - but like us - they
have slowed down a lot.

It is cool today. but we had
3 days of uncomfortable humidity
& had it up on all - conditions

Hope you have a good summer
Best, Betty
